

St. John's Campus tour

Welcome to your self-guided campus tour

The safety and well-being of our visitors, students and staff is our top priority. We've set up today's event so that everyone can easily follow the current social distancing recommendations. You'll also find information points and hand sanitising stations throughout the campus. Here are a few guidelines for the tour:

- Please follow the suggested route, which uses a one-way system. You are welcome to go around the campus more than once
- You'll meet our student ambassadors along the route. They are looking forward to meeting you, but please stand back to have your conversations with them
- Please stay with your group.
- Bathrooms, including handwashing facilities, are available in the main, Edward Elgar building.

If in doubt
about anything,
just ask.

A walking tour beyond St. John's

There are a number of other University of Worcester facilities to visit nearby.

The University has three main sites: St John's Campus, City Campus and Severn Campus as well as the nearby Lakeside Campus.

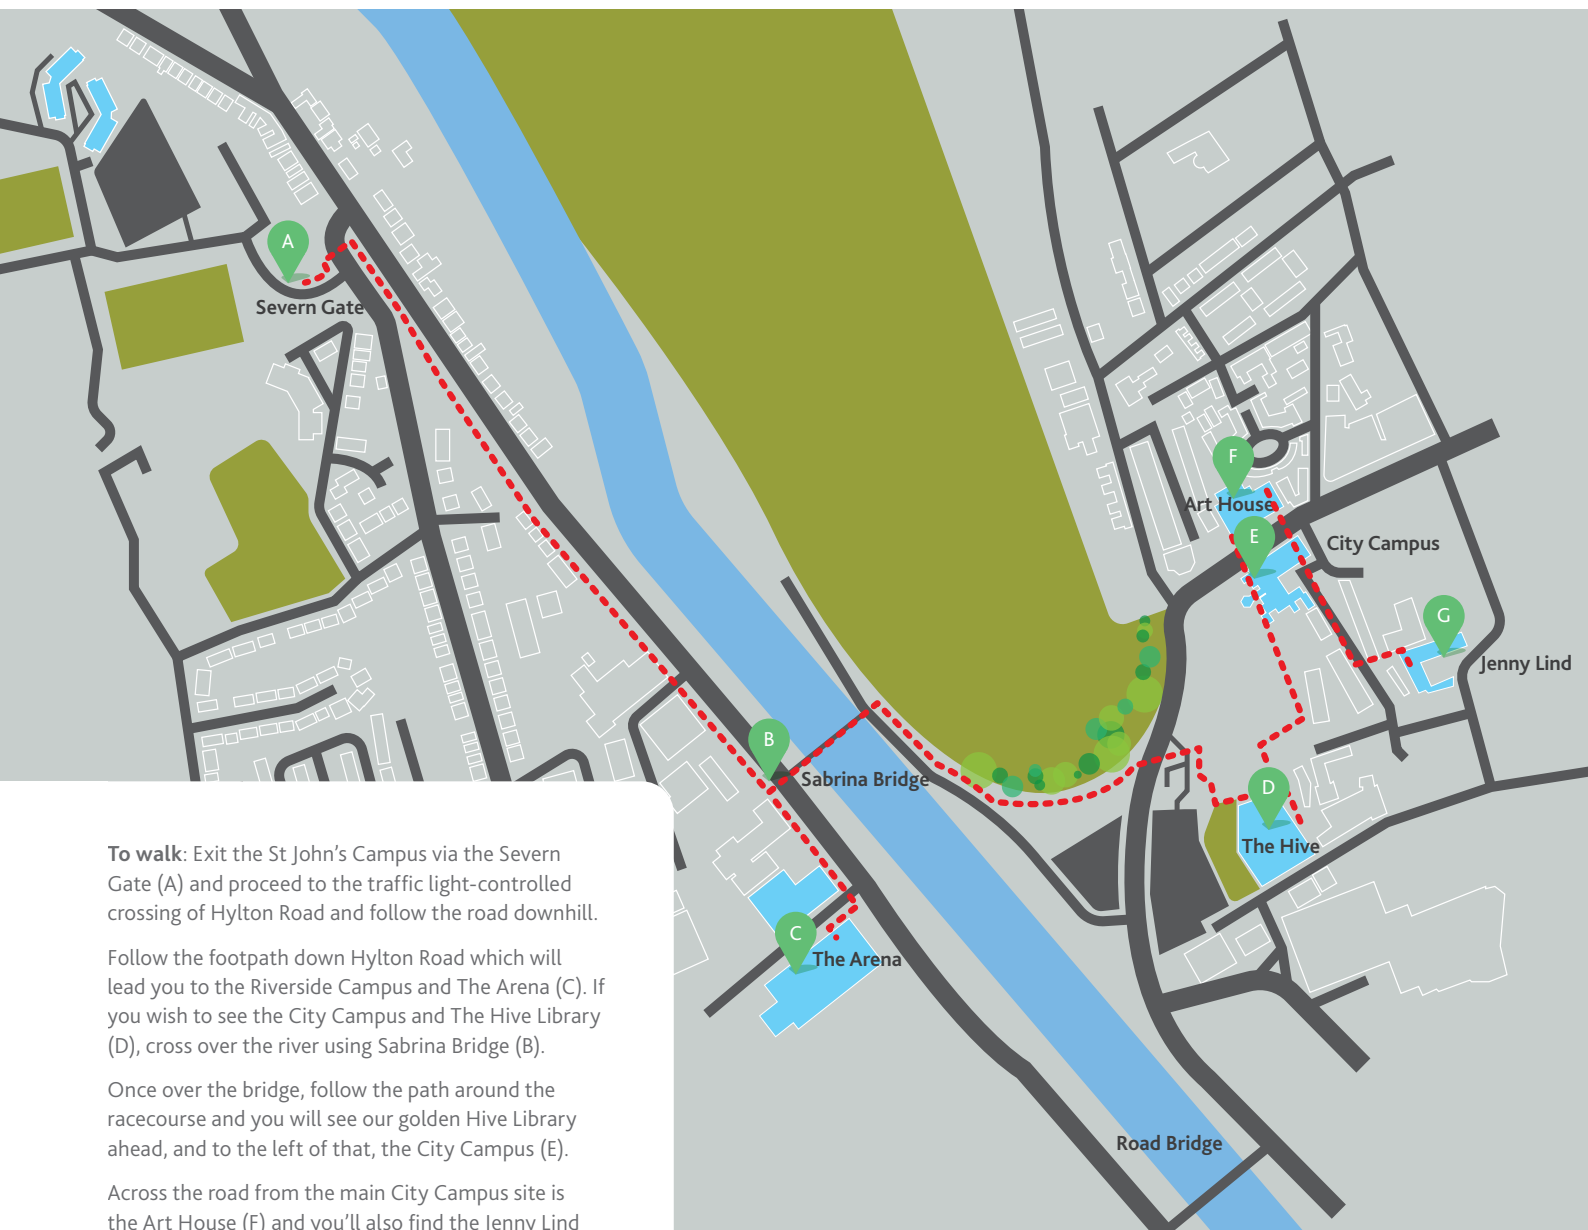

Now you have finished your tour of our St John's Campus, you are welcome to take a walk over to our City and Severn Campuses. Please ask us at the Registration Desk about which facilities are open to view today.

This map shows you the walking route but if you wish to drive, you can park for free at the Jenny Lind building (**WR1 3BB**) or the Art House (**WR1 3ZQ**).

The St John's and City Campus are a pleasant 20 minute walk from each other, with the Severn Campus conveniently situated between the two.

Explore the City Centre

The City of Worcester has previously been voted the happiest city in the UK, as well as finishing in the top three for both safety and friendliness, making it an ideal city in which to make your home. To explore the city centre, walk past The Hive's main entrance and across the footbridge. This will take you to the Crowngate Shopping Centre which is just a couple of minutes' walk from the High Street where you will find plenty of shops, cafés and restaurants. At the top of the High Street is Worcester Cathedral where you may attend your Graduation ceremony at the end of your studies!

To walk: Exit the St John's Campus via the Severn Gate (A) and proceed to the traffic light-controlled crossing of Hylton Road and follow the road downhill.

Follow the footpath down Hylton Road which will lead you to the Riverside Campus and The Arena (C). If you wish to see the City Campus and The Hive Library (D), cross over the river using Sabrina Bridge (B).

Once over the bridge, follow the path around the racecourse and you will see our golden Hive Library ahead, and to the left of that, the City Campus (E).

Across the road from the main City Campus site is the Art House (F) and you'll also find the Jenny Lind building (G) a short walk in the opposite direction.
